### ••• PROGRAM •••

#### PRESENTERS:

Dave Corbitt - Front NICHE  
Joe D'Amico - JVC Professional Products Company  
Dan Desmet - TV Logic  
Martin Euredjian- E Cinema Systems  
Ray Kalo - Tamuz  
Tom O'Neill - Cinetal  
Mike Poirier - Teranex Inc.

The video monitoring process is in the midst of a monumental shift away from CRT technology. Please join us for a discussion and demonstration of the technologies which will lead us into the new era of picture evaluation.

Our presenters will give overviews of their respective technologies.

You also will be able to see examples of their product offerings, side-by-side with a specially prepared test tape including both film, digitally originated materials and reference test signals from John Dowdell III of Goldcrest Post  
Please join in.

**If you are not a member of SMPTE ask for a membership application at the meeting or go to SMPTE.org  
Has your Email address changed?  
Please contact SMPTE to remain current.**

Meeting notices and Section information can be found on the internet at  
<http://www.smpteny.org>

**Please post this notice on your company bulletin board.**
