Mark Forman, event organizer

Guests and Non Members Welcome! Refreshments will be served!

The January Meeting is a good time to make resolutions on starting the New Year right and one thing is to make sure all your digital cameras perform to the best of their abilities. That means going back to the basics of camera setup with a few twists.

We will follow the process from proper test chart usage to using test instruments when preparing cameras for broadcast or production and how to look for problems that may occur during these procedures particular to current cameras.
